I noticed the PDF scan cut off my last date entry:

- 1/12/2016-TCEQ Notice of Deficiency comments issued in response to review of the 10/13/2015 APAR and closure request for WMU 001 and 002.

Let me know if you need any of the supporting records.

Gary:

Attached pdf provides a chronology presented in a 2015 Affected Property Assessment report (prepared by consultant for Mr. Robert Damesworth, who at one time was potentially interested in purchasing the property).

I added post-2015 TCEQ activities to the chronology.
